Community
Crusaders
Contest?

Not every community is blessed to have their young people take an interest in the future of their town. Thankfully, Brunswick isn't just any community. Over the past four years, twenty-four year old Blake Dankert has whole-heartedly embraced his vision to see the return of a vibrant downtown area. He has tenaciously labored to see that revitalization become a reality by inspiring business people, residents, and community leaders to get involved. As a result, the downtown area is taking on new life.

To recognize Blake's tireless efforts, teacher Cindy Woolston has entered Blake in the HGTV Community Crusaders Contest. Please visit the [HGTV website](#) to view the posts and leave a comment. Your participation will increase Blake's chances of winning the monthly \$5,000 cash prize. Thank you Blake for the blessing you have been to the community and may the Lord continue to bless all your efforts.
